

THE HAMLIN HERALD

30th YEAR—EVERY WEEK SINCE 1905.

HAMLIN, JONES COUNTY, TEXAS, AUGUST 9, 1935.

NUMBER 41.

Rev. J. Henry Littleton Closing 10th Year's Pastorate In Hamlin

FIRST BAPTIST CHURCH—

Next Sunday Sunday closes our ten years' work with the church. I had planned to write a personal word to each member but find that is nearly impossible.

I am taking this method through the courtesy of the Hamlin Herald, to say a few things that I want to say, not only to the membership but to all our friends. You will take it as a personal word.

These have been happy ten years. You have made it so. We have tried to serve in that way that would be pleasing to God. We have tried to make our lives count not only for the uplift of the church but for the betterment of the town.

We have stood against sin and for righteousness. You have not always agreed with us in everything but it has been a wonderful fellowship.

We have seen Hamlin grow and have been happy in its growth. The church has made much progress and to God we give all the credit. It seems to us that this tenth year has been the best year the church has experienced and that is because people had a mind to work. We want to say "God bless you," to everyone for you have been kind and thoughtful these ten years.

Let us urge every member of the church to be in the service Sunday morning. We are going to look for you. We invite all to come worship with us and we will try to make you feel welcome.

To those who have recently moved to town we extend a welcome. You will find a place to serve in our church.

We will give a synopsis of the work for these years Sunday morning.

REVIVAL MEETING

We are to begin our revival on the 21st of August. We will have some wonderful workers for this meeting. Brother J. D. Brannon, our District Missionary, will preach. Many of you know him. He is God's man. Mr. and Mrs. J. E. Reynolds of Fort Worth, will direct the music. Mr. Reynolds is director of the department of music in our seminary at Fort Worth. He is outstanding in the field of gospel music. Mrs. Reynolds will be at the piano. She is

the best. Their daughter, Miss Lurome, will play the violin. You will want to hear her. We are planning for a good orchestra and hope for the best choir we have ever had in Hamlin. We will have something to say next week about the meeting. Thanking everyone for your kindness for these past ten years and praying that God will richly bless, the church, the town and the communities around, during the coming year. We are your co-laborers with God.

J. HENRY and MRS. LITTLETON.

THE HERALD feels that it is its duty to respond to the above sincere statement of Rev. Littleton, that we may express for the general public our appreciation for the constant and devoted service Rev. Littleton and his good wife have given not only to the Hamlin Baptist Church but to every church and individual in Hamlin and the whole surrounding country.

Ten years is a long time, yet a very short period of life. The work of a faithful minister in any community for a period of ten years will live on down the many decades to come. Rev. Littleton has a sympathetic heart beat for everybody, and takes great interest in the affairs of the whole community.

The Baptist Church under his leadership has become a most delightful and progressive place of worship. His church is recognized as one of the best working small town churches in Texas. The membership feels more deeply appreciative of Rev. Littleton and his wife as each year passes. The thought of seeing the pastor accept some larger field of service is a constant dread among the leading members of the church here, for everyone realizes that a minister may be called to other fields.

Congratulations are in order for both pastor and his church membership for their first 10 years together.

Mrs. Lenyce Phillips and little Miss Onita of Lamesa, came down last week to join her parents, Mr. and Mrs. W. A. Huling of Corpus Christi, in visiting other members of the family in Hamlin and community.

HAMLIN BOYS CAME

IN FROM WASHINGTON

Last Sunday, two of Hamlin's young men who have been in Washington City, for two or three years helping to run the government, arrived by auto to spend most of their vacation at home with their parents.

T. C. Arnett, son of Mr. and Mrs. A. G. Arnett, is in the big AAA (Agricultural Adjustment Administration) where perhaps 2,000 persons of all ages and descriptions are working in shifts of eight hours each. He has a checking division room.

Preston Phenix, Jr., son of Mr. and Mrs. Preston Phenix, of Hamlin, came with Arnett. Preston is not exactly helping run the government but he has a good part with a transportation company in Washington. Preston and T. C. went to Washington at the same time.

There is still one other Hamlin boy in Washington. Parker (Snooky) May seems not to be able to get a vacation so far this summer.

Arnett says he has a part to play in the biggest department and if the Supreme Court does not "blow it up" it will get larger and larger.

SCOUT CHARLES PRATER

GOING TO WASHINGTON

The many friends of Charles Prater, son of Mr. and Mrs. C. C. Prater, are glad to learn that Charles has been selected to represent the Hamlin Boy Scout Troop in the big Jamboree in Washington this month. Charles will leave with about thirty other scouts in a special sleeper out of Abilene and will join a special train from Texas out of Fort Worth—and what a trip. That National or International Jamboree will be worth more than a whole year of schooling.

Charles had better take a lot of notes of what he sees and hears—the Hamlin folks will expect to hear a lot of that army of boys from all over this country and the world. Congratulations, Charles.

Miss Myrtle Lee Cohorn returned last week from the Baylor University Hospital in Dallas where she took a four months course in surgery. This is additional to her nurses course and prepares her for supervisor of surgical operations or assistant in surgery. She has been with the Hamlin Hospital all the time and her special work this summer broadens her field.

Hamlin Plays Haskell Here Sunday In a Crucial Game; 3:30 P. M.

Haskell and Hamlin will play here Sunday afternoon at 3:30 P. M. Haskell will win the game for Hamlin and Hamlin will go into the play off with Haskell for the pennant. Lefty Hambright is back with Haskell and will face Lefty Courtney. Should Hamlin lose to Haskell Sunday there is a possibility of Hamlin and Goree tying for the second half honors.

Hamlin has not lost a game during the second half.

GOREE 4; HAMLIN 7

Hamlin won last Sunday over Goree to retain the leadership of the second half of the Wichita Valley League and continue undefeated. Weeks homer in the third with two on put the game on ice. Jake Hollis led the hitting for the day with two doubles and a triple.

WEDNESDAY'S GAME

HAMLIN PIPERS 8
STAMFORD HAWKS 0

Lefty Courtney let Stamford down with three hits Wednesday shutting them out 8 to 0 to cinch a tie for the second half of the Wichita Valley League for Hamlin. Sourtney did not allow a Stamford player to reach first until the sixth, and was accredited with eleven strikeouts. Hallums and Ensey led the hitting, Hallums with three singles and Ensey with a double and triple.

W. C. ELKINS RECOVERING

FROM SEVERE FACE BURNS

The friends of W. C. Elkins are glad to see that he is recovering from severe face and hands burns.

His accident happened last Sunday one week ago. He was trying to weld a leak in a crude oil tank for O. C. Johnson, and regardless of his precautions, it seems the heat created a gas from the walls of the tank and a terrific explosion resulted. Mr. Elkins was lying on the ground while working and he was enveloped in oil and fire. His ears and face suffered most but his eyes were uninjured.

Elkins said the tank had been washed and even filled with water and every precaution was taken, BUT! —

Mrs. Maude Fizer and daughters, Misses Marie and Beatrice, of Wichita Falls, were here Monday on their vacation into New Mexico. They formerly lived in Hamlin and the children, including the son, Edwin, are occupying good positions in Wichita Falls.

OLD - FASHIONED SIMPLICITY

TELEPHONE SERVICE in this country is modern. It leads the world. Yet there is an old-fashioned simplicity about the Bell System. This applies to capital structure and financial methods as well as to the nationwide plan of decentralized operation under centralized control.

The American Telephone and Telegraph Company has only one class of stock and that stock is not watered.

It has 675,000 stockholders living in every corner of the land. Their average holding is twenty-eight shares. No individual or organization owns as much as one per cent of the stock. There are no secret reserves or hidden assets.

SOUTHWESTERN BELL TELEPHONE CO.

This structure is not of recent origin, but dates back many years to the early days of the telephone. It has lived on because it is right and in the best interest of the public. It has been fundamental in making the Bell System a distinctive American business.

In the Bell System, the American Telephone & Telegraph Company is the parent company, and operates the long distance lines connecting the 24 regional Bell companies. Bell Laboratories carries on the research work; Western Electric manufactures, purchases, and distributes.

Without this specialized organization back of the men and women of the Southwestern Bell telephone service might be possible. But it could not be service as uniform, good, as quietly accurate, as far reaching, and as inexpensive as the service you know today.

Mr. and Mrs. R. M. Bryan and their daughter, Mrs. N. O. Crockett and baby, of Floyd, Texas, came last week for a few days with their daughter, Mrs. Ernest Jenkins and family, and other friends of the Hamlin community. Mr. and Mrs. Bryan formerly lived between Hamlin and Dowie.

Mr. and Mrs. H. E. Wood, who live south of Hamlin, left Sunday for Dumas, Texas, to spend the remainder of the summer with their daughter, Mrs. C. F. Richards.

W. D. Cooper is "moping about" these days lonesome as a cat while his wife enjoys a visit of a month or more with her sister, Mrs. W. H. Smith at Plainview.

Mr. and Mrs. Creed Smith of Big Spring came over for the Sunday to visit Mrs. Smith's parents at McCauley and to see the Hamlin Pipers chase the Gorce "Hot Dogs" Sunday.

Warren Nobles and sister, Miss Mary Marguerite, are visiting relatives in Lubbock and Brownfield this week.

Lady's Painful Trouble Helped By Cardui

Why do so many women take Cardui for the relief of functional pains at monthly times? The answer is that they want results such as Mrs. Herbert W. Hunt, of Hallsville, Texas, describes. She writes: "My health wasn't good. I suffered from cramping. My pain would be so intense it would nauseate me. I would just drag around, so sluggish and 'do-less.' My mother decided to give me Cardui. I began to mend. That tired, sluggish feeling was gone and the pains disappeared. I can't praise Cardui too highly because I know it helped me." ... If Cardui does not help YOU, consult a physician.

WANTS SPONSOR FOR HAMLIN

Sweetwater, Texas
August 2, 1935.

Hamlin Herald,
Dear Sir:

Mr. Grady Shipp, of the Board of City Development is today inviting your city to send a Sponsor to the Nolan County Fifth Annual Rodeo to be held at the Double Heart Ranch on August 16-17-18. The Lady selected to represent your city is assured a most enjoyable time these three days as our entertainment committee is planning many special features just for them. These Girls are to be our guest at Sweetwater's Finest Hotel, where there will be no entrance fee or any other item of expense to them, yet four lovely prizes are offered as follows:

First Prize — \$100. Hand Made Cowgirl Saddle.

Second Prize — \$35.00 Hand Made Boots.

Third Prize — \$15.00 Stetson Hat.

Fourth Prize — \$10.00 Hand Made Purse.

Ours will be the finest and most complete Rodeo in the Southwest. Starting with a rousing down town parade followed by 14 events at the Rodeo grounds. The fiddling contest which carries cash prizes creates quite a bit of interest, there will be dancing each night; a complete change of program daily as well as a new orchestra for dancing each night and in addition we offer a Free Barbecue for all.

We are receiving letters from world famous Cowboys and Cowgirls from practically every state who are planning to be here and help in making this show the success we want it to be.

Yours very truly,
OLLIE COX, Mgr.

CARD OF THANKS

We are deeply grateful to all our friends and neighbors for their kindness and assistance shown our dear wife and mother during her illness. We thank you for your your sympathy in our bereavement.

H. D. BARNES
and Children

Mrs. A. W. Puett and children of Robert Lee, came up Monday to visit Otto Welch and family.

Mr. and Mrs. George Miller of San Angelo were here last week on business and to visit Mrs. Miller's parents, Mr. and Mrs. R. L. Dean.

Carl Young left Saturday night for Mt. Pleasant to join his wife and baby on a short visit and to accompany them home.

Dee Campbell, of the Campbell Dry Goods store, is in San Antonio this week purchasing his advance fall stock of goods.

What is the yardstick for a cigarette...

Take mildness for one thing—how does it measure up for mildness?

Chesterfields are *milder*—not flat or insipid, of course, but with a pleasing flavor.

Then take taste for another thing—does it have *plenty* of taste?

Chesterfields taste *better*—not strong but just right.

In other words, They Satisfy—
that's my yardstick for a cigarette.

ACKBONE OF TRANSPORT

In spite of all claims to the contrary, the railroads remain the backbone of the nation's transportation system.

Other carriers may supplement the rails and perform a valuable service, but it is a limited service.

Trucks can handle but a fraction of the nation's freight, and almost one of its heavy, transcontinental freight—wheat, machinery, etc.

Buses can provide inexpensive and excellent short-haul passenger service, but the vast bulk of travelers still go by rail when embarking on a lengthy journey.

There are definite limits to the airplane—its high cost, its relatively sparse coverage of the nation, its inability to handle freight.

The waterways are limited by geography and by seasons. In addition, they have proven to be constant money losers, and can only be kept in operation by vast governmental subsidies.

The railroads touch every portion of the country. They provide service to remote areas, tiny hamlets, little towns, farming and mining districts. They run on regular schedules. They provide maximum service at a minimum cost. The railroads did much to bring civilization to the wilderness in the beginning of this nation's expansion—they did much to keep civilized places from degenerating back to wilderness now.

In addition, the railroads are one of our greatest taxpayers, employers, purchasers of supplies. They offer a gigantic market in normal times for lumber, steel, copper, coal. They are a bulwark of all industry—and an essential public servant.

CAN'T KEEP UP WITH ALL VACATIONISTS—COMERS AND GOERS

In this day and time of rapid transportation, by auto, plane, and train, with so many new model high speed cars—it takes a whole set of detectives to keep all the vacationists, comers and goers, rounded up.

The Herald man can see about as far, ask as many questions and hear as closely as the average fellow, but that does not do the trick.

Last week we learned back confident that "all were in" and the first person we met after the paper was out, was Mr. and Mrs. S. D. McMahon, whose summer trip had just ended—and not a word in print about it.

Mr. and Mrs. McMahon have remained for five or six years close to their business—but this summer with a pretty all-steel comfortable car, and with reports of mountain air and scenery, they broke away from Hamlin and within four hours they were 200 miles away and before many days and night had passed they had gone the rounds of Carlsbad Caverns, Roswell, Ruidoso, Alamogordo, and El Paso and were back in Hamlin pleasantly keeping store. This is an example of how your friends and neighbors can skip about these days. But wait till the airplane becomes as common as the auto.

Now—whose watch?

Here is a riddle: W. W. Greenway found a silver case watch at his barn Sunday morning near his feed bin door—"face up." The question is: How did it get there? Why on the ground? Was the owner hungry or trying to find a bed? There may be other conjectures—but it's somebody's watch and the owner may have it if he or she will describe it, tell what he or she were after or wanted at W. W. Greenway's barn Saturday night and last but not least, pay 50c for this "tototriety."

Mr. and Mrs. John Stonesifer and Elmer Stonesifer spent most of last week in Vernon with a sister, Mrs. Nola Box, who was very ill from an operation. She is reported out of danger.

Mrs. J. L. Slaton of Waco, came up last Friday to look after her farm interest south of Hamlin. She is pleased with the fine crop outlook, and especially her Jones County farms.

Leslie Shelburne was taken to the Hamlin Hospital last Saturday for a slight operation. He is soon to be up again.

Miss Margaret Baber, of Wichita, Kansas, accompanied Miss Cohorn home from Dallas last week to spend a few days here while on her way home from the Baylor University Hospital where she took special training in surgery.

YOUR CHILD AND THE SCHOOL

By Dr. ALLEN G. IRELAND
Director, Physical and Health Education
New Jersey State Department of Public Instruction

Tossing

The summer auto trip with children along takes a little planning. Wherever you go, conditions are not exactly the same as at home.

Some families carry water from home in glass bottles. Others boil water and some use the chlorine treatment, which your physician or druggist will explain. Pasteurized milk is your one safeguard when traveling.

Always wash thoroughly all fruit and vegetables purchased along the route. Do this even when you buy direct from the farmer. Just remember he may have used poisonous sprays to kill insects.

Take along a supply of paper cups. The glasses at roadside stands are not always as clean as yours at home.

It is wise to consult your family physician about first aid needs and laxatives. A little kit is often a blessing when least expected. Be sure to put in the soothing lotions you use for poison ivy and the cold cream for sunburn.

A word about eating. The danger is in eating too much and at irregular times. Avoid particularly the temptation to drink sodas and bottled drinks. And conquer the desire to overload the stomach with ice water. No vacation can be had while riding on a sea-sick stomach.

Adults' games are entertaining; boys' games are serious business. Dr. Ireland will discuss them in his next article.

Farmers Seek Aid From Science

Data in Weather Bureau Invaluable in Combating Nature's Weapons

Science will arm against the four horsemen of disaster, drought, dust, storms, soil-erosion, and floods, reports *The Literary Digest*.

Attending the annual meeting of the American Association for the Advancement of Science in Minneapolis, 800 of America's leading scientists repaid their host by agreeing to combat nature's destructive weapons against the farmer.

If the West is to be relieved of climatic disaster, accurate, dependable scientific knowledge is needed to develop long-range plans for land-use, said Dr. Isaiah Bowman, Chairman of the National Research Council.

"We can not stop the recurrence of droughts, but we can avoid their worst effects. We can not prevent soil erosion by water and wind, but we can greatly reduce the rate of erosion."

"The immediate land problem of the West is not where to place a proposed 'shelter-belt' but where to turn farm land back to range land. A strong force of experts should be working on mass climatological data on the Great Plains accumulated by the Weather Bureau."

MRS. H. D. BARNES DIED

AT STAMFORD SANITARIUM

Mrs. H. D. Barnes of the Plasterco community, passed away at the Stamford sanitarium last Friday morning at three o'clock, August 2.

Mrs. Barnes had been ill about two weeks and had been in the sanitarium for ten days when death came.

She was born in Montague County, October 1, 1901, and was 33 years, 9 months and 1 day of age. On February 14, 1920, she was united in marriage to H. D. Barnes, in Saint Jo, Texas.

The husband and two children survive, J. D. Barnes, age 14, and Neil, age 12 years. The family came to the Plasterco community in 1924, and during this time built up a wide circle of close friends.

Mrs. Barnes was the last member of her immediate family. She was a member of the Methodist Church, devoted to her husband and children.

Relatives of Mrs. Barnes attending the funeral, besides his parents, Mr. and Mrs. J. D. Barnes and a sister, Mrs. Travis Conner of Hamlin, a brother, Wylie Barnes, wife and baby of Quanah, and another brother, Howard Barnes and family, of Rotan, were here.

Funeral services were conducted at the Plasterco Auditorium, on Saturday morning, by Rev. Bateman, of McCaulley.

The body was in charge of the Barrow Company and was placed to rest in Hamlin East Cemetery.

DEATH CAME TO W. A. YOUNG

MONDAY, JULY 29

W. A. Young, a pioneer citizen residing southwest of Hamlin, passed away on Monday morning, July 29, after a short illness of less than two days. Although nearly eighty years of age, Mr. Young had always been in good health right up to his last days.

W. A. Young was born in Bowie County, Texas, October 22, 1855, thus had he lived till his next birthday he would have been 80 years of age.

The first marriage of Mr. Young was to Miss Margaret Taylor, who died early in life, leaving only one little girl. The second marriage was to Miss Nannie Strain and to this union there were ten children, two of them died while quite young, and now there are 33 grand children and seven great-grandchildren. The companion now mourns the death of her husband.

The children surviving are Mrs. Mary Beard, of DeKalb, Texas; Mrs. Mattie Harbin, McCalla, Ala.; Mrs. Ethel Brockus, Isabell, Okla.; Mrs. Bessie Alexander and Jim Young of Hamlin, Texas, and Frank Young, Mrs. Sallie Noble, John Young and Mrs. Opal Lynch, all of McCaulley.

The deceased came to Jones County in 1923, proved a good citizen, was a loving father and a faithful companion. While a young man he joined the Baptist Church.

Funeral services were conducted at the McCaulley Cemetery Thursday, Aug. 1, by the pastor of the McCaulley Methodist Church, Rev. Bateman.

The body was in charge of the Barrow Company and interment was made in the presence of a large number of sympathizing neighbors and friends.

FORMER ANSON BOY

MAKING GOOD AT AUSTIN

AUSTIN, Texas, August 5.—John Pope, student editor of the Cactus, University of Texas yearbook, has designated the 1936 edition of the annual as a "Centennial Cactus." Pope, who this summer acceded to the editorship, regards his research into Texas history as one of his most important duties, and uses a grade school volume of Texas history as a handbook.

Pope is a law student in the University and is a graduate of the University School of Business Administration. He has served as president of the junior class in the School of Business Administration, is an active member of the Curtain Club, the Young Men's Christian Association cabinet, the Business Administration Council, the University Round-Up Committee, Interfraternity Council, and the Order of San Jacinto. Last year he was associate editor of the Cactus.

Miss Mary Emily Allen of Woodlake Rural community, a government rehabilitation project, spent the past week-end here with friends. She formerly had charge of the Home Economic Department in the public school.

Mrs. Leo Smith (formerly Miss Lora Huling) and her little daughter, Janis, of Robeline, La., came up last Friday for a visit with her parents, Mr. and Mrs. W. A. Huling of Corpus Christi.

Miss Lucile Owen returned last week from a two months stay with her sister, Mrs. Sam Alford at Albuquerque, New Mexico. Sam is suffering from rheumatic fever and it may be months before he can walk again.

Mrs. D. O. Gray, of Anson, spent Tuesday with her sister, Mrs. Coy Fielder.

H. W. Carter and wife left Sunday for Dallas to visit his sister and the Dallas wholesale market.

Properly Stowed Bags Add to Comfort

Comfort, pleasure, and safety on a tour depend largely on efficient loading of the luggage, and modern body designs have done much to ease the problem, as these views of Chevrolet models reveal. In the upper left view, the suitcases have been fitted snugly, the adjustable front seat having been moved forward to allow extra legroom, and the driver is now pushing back the seat to clamp the bags in place for the day. Upper right, the tourist is utilizing the baggage space back of the rear seat. The two lower pictures show the loading of a coupe compartment and a sedan trunk.

Churches and Church Activities

CHURCH OF
THE NAZARENE

We enjoyed a very fine attendance in our Sunday School last Sunday, having almost one hundred per cent, in spite of many handicaps. The night service was also well attended. We bow our heads in humble thankfulness to Him who knows all about us, and understands our needs, and praise Him for His wonderful mercy to us, and for His undying love for us, and we appreciate our own people in our church, and our good friends out of the church, who have given to and are making our new church home possible.

Our Sunday School and all other services will be at the usual hours this Sunday. The pastor will preach at the morning and evening hours and all visitors and friends will find a very cordial welcome.

J. H. WHITAKER, Pastor.

SUNDAY SCHOOL JUMPED AT
METHODIST CHURCH

People must be coming back from their vacations and becoming church minded again. The Sunday School jumped up twenty-five per cent last Sunday and the other services made a trend upward toward normal again.

ENJOYED REUNION SUNDAY

Mr. and Mrs. W. A. Huling, pioneers of Jones County, now of Corpus Christi, met Sunday at the home of their daughter, Mr. and Mrs. O. W. Rush and family, for a family reunion. Joining them were:

Mrs. H. M. Phillips and daughter, Onita, of Lamesa, Mrs. Leo Smith and daughter, Janis, of Robeline, La., Mr. and Mrs. W. H. Huling and children, Mr. and Mrs. Ray Huling and daughter, Dorothy Gene, of Anson, Huling, and J. O. Huling.

Petunia and zennias decorated the rooms and vases of the same lovely flowers centered the table at the noon hour, when a delicious dinner was served.

Other guest calling and exchanging greetings during the day were Mrs. S. J. McCoy and children, of Tuxedo, J. V. Gamble of Plainview; Miss Doris Thompson of Stamford; Miss Stella Thorn of Anson, and Mr. and Mrs. Audie Baize of Tuxedo.

Just three more Sundays and then we will shift into high and off for our fall and winter work. The Sunday School has just eight weeks in which to close out this year's work. A general reorganization will take place during September and the new officers and teachers will begin their work October 1st. If you have plans, work them quick.

The Board of Christian Education meets Monday night at 8:15. Present your problems and requests to your Division Superintendent or to the General Superintendent, Sunday without fail.

Sunday 10:45 A. M., Subject, "The Price of a Doze." 8:15 P. M., "The Wide-Awake-Soul." The old Prussian king, when dying, said to his son, "Frederick the Great," "If you lose anything that I have won, I will laugh at you out of my grave." Would it not be ungrateful disloyalty to fling away our religious heritage which is dyed with sacrificial blood? The waste of material inheritance is trivial in comparison. Are we, of this generation, going to hand the next generation less of virtue and rugged righteousness than that received from our fathers? Just what are you doing about your part of this sacred trust? Not the church, but you individually?

The church offers to the general public, preaching both morning and evening on Sunday. A well organized Sunday School with classes for all ages. Young People's meetings Sunday evening. A live Missionary Society on Mondays and prayer meeting Wednesday.

H. A. LONGINO, Pastor.

Miss Mary Beth Moody returned last week from attending Camp Arrowhead for girls, near Kerrville. She accompanied Mr. and Mrs. Moody who had been called to Navasota by the death of an uncle of Mr. Moody.

Keep a Good Laxative
always in your home

Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of its disagreeable symptoms coming on. "We have used Thedford's Black-Draught for 21 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Belton, Texas. "I take Black-Draught for biliousness, constipation and other ills where a good laxative or purgative is needed. I have always found Black-Draught gives good results."

Sold in 25-cent packages.

HAMLIN GIRLS WEDS

BRECKENRIDGE BOY

In a quiet ceremony in the home of Mr. and Mrs. H. M. Stevenson Wednesday evening, July 31, Miss La Verne Locke of Hamlin, became the bride of Milton Davis of Breckenridge.

At the door the guests were met by Miss Viola Powell, who was presiding over the lovely yellow and white bride's book. After each guest had written in the bride's book, Miss Ann Bryant led them into the beautifully decorated room of yellow and white crepe paper and yellow sun-flowers.

As Misses Jaunity Blythe and Jackie Smith sang "O, Promise Me" the wedding party was led in by little Miss Mae Marie Livingston, who carried the ring. She was dressed in a pale yellow voile and carried the ring in a white lily. Mrs. Faye Ruth Poe was matron of honor and was attractively gowned in a yellow crepe gown and her corsage was of lilies.

Vernon Key acted as best man. The bride was lovely in a flowing yellow net dress made on quaint lines. Her corsage was also of white lilies. The couple was met at the altar by Rev. W. Y. Pond, who said the marriage vows.

The bride is the daughter of Mr. and Mrs. S. H. Locke of Hamlin. She is a graduate from Hamlin High School.

The groom, son of Mr. and Mrs. J. D. Davis, of Breckenridge, is a graduate of Breckenridge High School and Brantley Draughon Business College, Ft. Worth, and is now employed with Carbon Black Co. in Borger, Texas.

As little Miss Mae Marie Livingston sang, "I Love You Truly," punch and cake were served to Mr. and Mrs. J. D. Davis, Mr. and Mrs. Charles Blair, Mr. and Mrs. Beason Tolbert, Mr. and Mrs. Ed Offied, Mrs. Earl Hazel, Mrs. Howard Poe, Misses Hazel Davis, Babe Christian, Ann Bryant, Viola Powell, Jaunita Blythe, Jackie Smith, Virginia Blackly, Joe Lambert, Gearldine White, Maureen Anderson and Messrs. J. D. Davis, Howard West, Red Smith, J. T. Duncan, J. T. Pastee, Tom Val-las, Lloyd Green, Dewey Jones, Raymond Crowell, Jake Courtney, the bride and groom and the hostesses, Mr. and Mrs. H. M. Stevenson.

Mrs. N. Phillips and son, Bobbie, of Bonham, are visiting in the home of her daughter, Mrs. John C. Turner, this week.

Mrs. A. L. Thompson and Miss Inez Mayfield of Anson, and Misses Ruby and Irene Thompson are spending a few days of this week in Carlsbad and other New Mexico points.

Mr. and Mrs. Ross Fomby and Mr. and Mrs. Frank Johnson left last Saturday for a nice long trip to Washington City and perhaps New York and one or two more little cities on the East Coast.

Mrs. Harry Pitzer, who has been visiting several weeks with her parents, Mr. and Mrs. H. O. Cassle, left Wednesday for her home in McAllister, Okla. Mr. and Mrs. Cassle accompanied her and will be away a week or ten days.
